Federal Information Experts

Bridging the gap between government information and those who put it to work

NTIS: The Nation's Source for Scientific Information

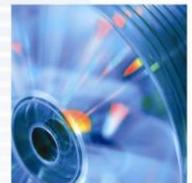

- Nation's largest and most comprehensive source of government-funded scientific, technical, engineering and business-related information.
- Over 60 years serving as an innovative resource to federal agencies, businesses and universities looking for high-caliber information.
- Our mission: to support the nation's economic growth by providing access to information that stimulates innovation and discovery.
- We offer more than 3 million publications and products in areas that include:
 - business and management studies
 - health and safety reports
 - environmental research and site clean-up reports
 - technology innovations
 - international market reports
 - training tools and materials

- Web Services
- OPM Approved eLearning Service Provider
- Distribution Services
- Digitization
- Federal Energy Data
- Grant and Contract Management

Web Services

www.ntis.gov

- Web site design and development
- Hosting
- Data base management
- Order Processing
- Call Center
- Clients
 - US Customs & Border Patrol
 - Wage & Determination On Line (WDOL)
 - DMDC
 - Center for Medicare & Medicaid Services
 - USDA
 - NTIA
 - Department of Commerce

- Hosting eLearning Centers
- Program Management
- Partner Support and Selection
- Clients
 - Department of Commerce
 - NARA
 - Department of the Interior
 - USDA
 - Department of Justice
 - National Guard

Distribution

- Warehouse & Storage
- Shipping
- Order processing
- Collating
- Product Design
- Product Translation
- Inventory Management
- Clients
 - CMS
 - USDA
 - AOUSC

Digitization

- Scanning
- Digitizing – all media types
- Quality assurance
 - De-speckle
 - Alignment
 - Page formatting
- Optical Character Readable
- 508 Compliant
- Clients
 - NASA
 - SSA
 - EPA

Federal Energy Data

www.ntis.gov

- Capture real time energy data
 - Electricity
 - Water
 - Gas
 - Carbon footprint
- Create readable dashboard
- Reporting
- Metering
- Third party measurement
- Clients
 - Architect of the Capital –pilot
 - NIST – Pilot
